Edmonton, AB

INTRODUCTION

Ambitious, determined, outgoing and organized. My career goal is to become a Counselling Psychologist and advocate for youth and the importance of mental health. I am passionate about the prospect of serving others and helping others unleash their full potential.

WORK EXPERIENCE

Youth Support Worker Summer 2023

Trellis Society

- Provided youth and young adults with support on a day-to-day basis towards developing routines and practicing essential life skills.
- Worked directly with youth involved with sexual exploitation providing a safe environment for personal growth and self-awareness.
- Acted as a liaison as needed between natural supports, families, case workers, doctors and various professionals.
- Utilized planning skills in the implementation of resident program activities.
- Utilized harm reduction practices with clients and safety planning when leaving program.
- Completed the documentation of daily case notes, AWOL's and reportable incidents as needed. for multiple youths.
- Showed a consistent ability to be adaptable to all situations by working at various group homes with different focuses throughout the Calgary area.
- Intervened and de-escalated crisis situations in an appropriate matter.

Brand Ambassador/ Food Handler & Lead Chef 2023

XMC Experience Marketing Consulting

- Ensured a safe and hygienic cooking and serving environment.
- Provided support to food handlers in the cooking and assembling of samples.
- Provided branded messages on behalf of clients while kindly greeting and serving customers samples of food.
- Engaged customers through advertisements and encouraged them to take part in the brand ambassador experience.
- Created an engaging, positive experience for customers by working with other ambassadors.
